Tutorial

Be a star! Follow along with simple tutorials to find out how to follow the dance cues and do special moves.

BASIC

Hold the **Wii Remote** in your right hand and the **Nunchuk** in your left hand. Make sure you have plenty of open space to dance.

DANCE CUES

Get ready as green and purple dance cues appear in the center of the blue Dance Ring, then move toward the edges of the Dance Ring.

- Green dance cues represent your right hand (**Wii Remote**) and purple dance cues correspond to your left hand (**Nunchuk**).

For a perfect strike, swing your arms out to a fully extended position in the direction shown on the Dance Ring just as the dance cues overlap.

DOUBLE CUES

When green and purple dance cues move together toward the edge of the Dance Ring, extend both arms in the same direction just as the dance cues overlap the Dance Ring to get a perfect strike!

HOLD CUES

Hold it! When longer green and purple dance cues appear, swing the arm in the direction shown when it overlaps the Dance Ring. To get a perfect strike, hold your arm still while the dance cues continue to move toward the Dance Ring.

SPECIAL CUES

Time to get this party movin'! Watch for text in the blue Dance Ring telling you to Jump, Spin, Clap, Punch, Wave, and more.

WILDCAT POSE

Pose like a Wildcat! Hold the pose shown on-screen until the meter fills for bonus points.

HIT YOUR MARKS

And the bonus points just magically appear. Point the **Wii Remote** at the screen and glide your cursor over the note bubbles. Pop the bubbles to earn bonus points but avoid the purple angry face bubble. He will steal your points.

FREESTYLE

You can be a Super Star! Keep earning points to build up your Star Meter at the bottom center of the Dance Ring. Press the **(A) Button** as soon as the Star Meter is full to see fireworks, new cue colors and other special effects in Freestyle mode.

- Every successful strike in Freestyle mode earns double points.
- Activate Freestyle mode every chance you get. You might find a special surprise!

Two Player

GRADE

Prove that you are worthy of being called a Wildcat. Ms. Darbus will hand out your Report Card at the end of each song. Try your hardest to live up to her high standards.

Each perfect strike on the Dance Ring adds more to your score.

Consecutive strikes add to your score multiplier, allowing you to score points even more quickly.

It's fun to dance together! Compete against a friend in a head-to-head Dance-Off or perform together in a Dance Duo.

Dance-Off

Play against a friend in a dance competition for the highest score. In Dance-Off mode, player one follows orange dance cues and player two dances to purple dance cues. Both players dance together to the gold dance cues.

HSM

Two Player Tutorial

Dance Duo

Create a dance duo with a friend. Work together to get a high score.
